

- EN** Splits one cable TV signal into three or four, with optimal transfer. Signal degradation is minimized with 24K gold plated connectors.

Please Note: DO NOT attach the splitter between a digital satellite system dish and the receiver box. The split must occur AFTER the receiver box.

- ES** Divide la señal del cable en tres o cuatro con una transferencia óptima. La pérdida de señal se reduce al mínimo con los conectores enchapados en oro de 24 k.

Nota: NO conecte el splitter entre una antena satelital digital y la caja del receptor. La división debe ser POSTERIOR a la caja del receptor.

Limited one year warranty.
